

Accounting Support Specialist

Highland, IL

- Job Summary: This position performs payroll-related functions, including processing, tax compliance, and payroll reporting in a multi-site, multi-state environment. This position will also include responsibilities in many areas of the finance and accounting department. This may include accounts payables, accounts receivable, fixed assets, and others.
- Reports to: Corporate Controller

Essential Duties: Payroll:

- Process weekly US payroll for multiple locations utilizing a third-party payroll provider.
- Prepare weekly and monthly general ledger journal entries.
- Assist in review of payroll items for month end close.
- Submits the contribution files to the 401(k) provider.
- Provide information for non-discriminatory testing for the 401K plans.
- Provide information and support for the 401K annual audit.
- Assist with payroll items for any census and year end audit needs.
- Prepare and/or review and reconcile annual W-2 and other year-end payrollrelated schedules and reports, some of which will be created by our thirdparty payroll provider.
- Reconcile monthly, quarterly, and yearly withholding and unemployment taxes and schedules.
- Provide third party payroll tax jurisdiction information as needed.

Accounts Payable:

- Process invoices, schedule payments, reconcile accounts, and communicate with vendors to resolve any discrepancies.
- Match remittance advice by verifying the purchase order, the receipt, and the vendor invoice to ensure they match before payment.
- Prepare and execute payments to vendors, including preparing checks for mailing, ACH, and electronic transfers.
- Prepare and process reconciliation schedules monthly and in support of yearend audit.
- Work with independent auditors on related account schedules and reports.

Other:

• Miscellaneous other duties as may be assigned (could include AR back up, treasury, fixed assets, product costing, etc.)
